Kiveton Park Infant School,  
Station Road,  
Kiveton Park,  
SHEFFIELD.  
S26 6QP

17<sup>th</sup> March, 2014.

Dear Andy,

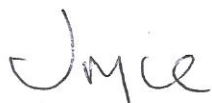

Can I just say a huge thank you for making me so welcome when I visited Kiveton Park Infant School last Thursday.

I just have one word to sum up my visit "wow"!! I was bowled over by the sheer vision, enthusiasm and ethos of the school. I loved the way you have made such good use of the school facilities to fully engage and inspire the children. I was inspired by the leadership by the SMAs in the play breaks, the extra speech and language therapy support, the vision for the inspiring boys in their learning, the access to music opportunities, the progress of children on FSM or who were EAL – I really could go on and on.

To know your staff are so valued was impressive. Delivering outstanding lessons day in and day out is a huge ask but one all children deserve. The differentiated learning is clearly bringing out the best in all the pupils and your results show it.

Was it good enough for my child? Absolutely. I was thrilled to see for myself what I previously only listened to others talk about.

With best wishes for your continued success.

Joyce Thacker,  
Strategic Director,  
Children and Young People's Services.
