

Nursery Additional Charges

The Government funding is intended to deliver 15 or 30 hours a week of free, high quality, flexible early education and care. The 15 or 30 hours must be able to be accessed free of charge to parents; that is, there must not be any mandatory charges for parents in relation to the free hours.

Government funding is not intended to cover the costs of meals, other consumables, additional hours or additional services. Providers can charge for consumables, meals and snacks, extra activities and additional hours provided they are not mandatory charges or a condition of accessing a place.
